

Get going with OverDrive on eReaders

Step 1

Download and install Adobe Digital Editions (ADE):

On your computer, go to <http://www.adobe.com/solutions/ebook/digital-editions>.

Click *Download* in the top menu.

Choose Macintosh or Windows and follow instructions to install the program.

Note: Sometimes to install ADE you also need to download and install Microsoft.NET software.

Step 2

Authorize your computer:

With ADE open, from the Help menu, click *Authorize Computer*.

If you have an Adobe ID, enter your information. If not, click *Create an Adobe ID* and sign up. You will need an email address and a password.

Note: An Adobe ID can be used with up to 6 different devices. You may only have one Adobe ID authorized on a computer at one time.

Step 3

Check out an eBook:

Go to <https://washington.overdrive.com> to browse and search eBooks.

To checkout a book, click on the cover, click *Borrow*, and sign in using your library card number.

Step 4

Download eBook to ADE:

Go to *Sign In, then Loans*.

In the *Choose a Format* menu, select *EPUB eBook*.

Open the file in Adobe Digital Editions.

Step 4

Transfer the eBook to your device:

Connect your device to your computer.

In ADE, click and drag the book to your device, which should appear in the menu on the left under *Devices*.

The first time you do this, you may need to authorize your device.

Step 5

Read:

Once you transfer the eBook, you can read it on your device just like any other title.

To Return eBooks Early

eBooks will return automatically when they are due.

If you want to return an eBook early, open ADE. Right click the cover of the book.

Click *Return Borrowed Item*.
